

“Welcome to HomeRun Recycling”

Welcome to HomeRun Recycling, the fast growing metal recycling companies in the Middle and South Georgia. We process thousands of tons ferrous and non-ferrous materials every year. We invite both residential and industrial customers to browse through our site and contact us today to see how recycling can really best pay off. HomeRun Recycling provides continuous service to the general public through our public walk-in counters. HomeRun Recycling provides excellent service and pricing for industrial scrap materials.

Please call our office at 229-268-4786 for assistance and pricing. If you request, we can send a qualified representative who will visit your facility and provide you with a pricing quote for your specific type of scrap material.

HomeRun Recycling, llc

Only Green Planet, Let's Share and Care

HomeRun Recycling, in Vienna and Macon Georgia based full service scrap metal processing and recycling yard has been providing quality services to Middle and South Georgia. We excel in providing scrap recycling solutions for every need, including individual walk-in traffic, industrial scrap, as well as servicing the scrap needs of other scrap yards.

We also specialize in exporting processed scrap to global markets overseas. Our volume, combined with our specialized equipment, enables us to provide excellent pricing, along with quick and convenient service for our customers.

HomeRun is conveniently located near major highways (I-75 and I-16) and railroads (NF Southern and CSX) to provide prompt and cost-effective transportation. Cordele Inland Port is only 9 miles from us make easy shipping services to and from our customers and vendors. We can easily cover south, southwest Georgia, Alabama, Mississippi, Louisiana and Florida. The inland port is being built in Cordele and linked to the Savannah, one of the major ocean port in USA.

We have full concreted clean yard with easy accessibility.

“Sustainable growth and Clean Environment are the part of our corporate culture”

Our Product

*Our process is easy as to drop off your materials to us at **838 Shiloh Rd, Vienna, GA 31092** or **2730 Weaver Rd, Macon, GA 31217** during regular business hours. Present your state or federally-issued ID, and have your items identified and then weighed on our state-certified scale. Receive on the spot payment in the form of either cash or check. That's all there is to put more money in your pocket, and we offer the "green" solution you've been looking for. So don't trash it: cash it!*

Why Chose Us

Our walk-in counter is welcoming to general public and small haul recyclers transporting scrap metal to our recycling facilities. We are committed to provide you with the best in customer service. Starting with our clean, organized and safe yards, we aim to provide you with a welcoming and efficient experience. Our scales are certified and routinely calibrated, ensuring your load is always weighed fairly and we offer best price.

If not sure, what type of metal you have? Don't worry, we have X-ray analyzer. We are happy to help you determine whether your recyclable material is non-ferrous or ferrous metal or what grade.

Our state-of-the-art scrap metal sorting and processing equipment include- roll of containers, self-dumping hoppers, digital scale, high density baling machine, heavy duty material handler, 500 tons guillotine shear, X-ray metal analyzer and many more.

Ferrous >>>

- Household appliances
- Refrigerators
- Washers, dryers, dishwashers, air conditioners
- Automobiles
- Cast Iron patio furniture, Outdoor railing
- Farm Machinery
- Sheet metal
- Stainless steel
- All kind of steel structure

Non-Ferrous>>>

Non-ferrous metals and alloys are generally more expensive to produce than ferrous metals. They are typically lighter, and less susceptible to corrosion than ferrous metals. Examples of non-ferrous metals include copper, nickel, tin, aluminum, zinc and titanium. Non-ferrous metals are commonly used in the production of household and automotive products.

- o Aluminum
- o Aluminum cans/Pots/Pans
- o Aluminum Patio furniture
